Dear Prospective Sponsor,

**Tallahassee Amateur Basketball** (formerly the Tallahassee Spurs) is a well-established basketball program that has served the Tallahassee area for 9 years. The mission of our program is to provide a quality travel basketball experience for young athletes. **Tallahassee Amateur Basketball** is a program that is organized, well presented, instructional, and grounded in teaching fundamental basketball and life skills on and off the court. We will have up to 9 teams from 4<sup>th</sup> grade to 11<sup>th</sup> grade, which will compete in the AAU circuit and Big Shots certified events. In 2012, we will have our inaugural season of the Lady Stars, which will be Varsity Girls competing in high level tournaments and NCAA certified events.

The **Tallahassee Amateur Basketball** Organization is asking for your **HELP** in sponsoring our athletes/program. There are various ways you can help. As you can imagine there are significant costs associated with a quality travel basketball program. There are also players who cannot afford the cost inherent in a travel sport. We will be attending approximately 8-12 tournaments this coming season and to qualify for YBOA/AAU Nationals and participate in NCAA Certified Events for the 9<sup>th</sup>-11<sup>th</sup> grade teams. We are striving to have great student-athletes that show great signs of improvement and success on the basketball floor. Your donation will help support the youth of Tallahassee by keeping them active and teaching discipline on and off the court. Cost of participation for players on the team ranges from \$600-\$1,200 per player, which covers registration of the team, coaches, players, tournament registrations, Gym fees, coaches travel cost and per diems, and player travel cost.

We are respectfully asking you to consider one of the following sponsorship packages. Any level of assistance will be greatly appreciated.
